"Honey, I wantcha to meet a friend of mine..."

A COLD WIFE

I just got off the phone with a friend who lives in North Dakota. She said that since early this morning the snow has been nearly waist high, and it's still falling. The temperature is 32 below zero, and the north wind is increasing to near gale force. Her husband has done nothing but look through the kitchen window and just stare. She says if it gets much worse, she may have to let the drunken bum in.
