- reported by Area 93 Representative Jeff G.

"I told them it was closing time and they asked me to set 'em up six cups of coffee apiece!"

The **man chairing the meeting** called on a younger member to share.
She said, "Oh, I've had a terrible day. I wasn't centered. I felt alienated. My child within was deprived. I wasn't self-actualized at all!"

An old-timer who was hard of hearing leaned over and whispered to a friend, "What did she say?"

The friend replied, "She says she's hungry, angry, lonely and tired."
