There are three kinds of lies: lies, damned lies, and statistics.

- Mark Twain (1835-1910)

**There was exactly \$17.04** left of her paycheck when she got home late that night. Her husband read her the riot act, and when he'd finished, the drunk wife said, "Well, at least I bought something for the house."

The husband brightened. "What was it?" he asked.

"A round of drinks," she said.
