Just a Friendly Reminder that November is Gratitude Month

The San Fernando Valley Central Office has been operating for more than 50 Years!
Thanks to the contributions and continued support of our members, we are still going strong!

Why Gratitude Month?

- Central Office operates on the contributions received from the Groups and their members.
- Central Office has a 24 hour-a-day, 365 days-a-year telephone Hot Line and all the up-to-date meeting information.
- Your contributions make it possible for Central Office to keep a full stock of AA literature available 7 DAYS A WEEK!
- The Meeting Directory is generated out of Central Office as well as the monthly newsletter, and The Recovery Times.
- Our website, www.sfvaa.org, makes A.A. meeting information available online and is updated regularly.
- There is a Public Information Group that is always ready to assist the General Public with information on our organization through schools, health fairs, hospitals, etc.
- Convention flyers, upcoming events for the groups, and information regarding the passing of our members are all available at Central Office.
- Central Office is truly the hub of AA in the San Fernando Valley.

Gratitude Month is the Main Fundraiser for Central Office!

A sponsor and prospective sponsee meet to talk for the first time. After describing his many bouts with the bottle, the would-be sponsee finally asks, "So, what do you think?"

"I think you're going to go far in this Fellowship," the sponsor asserts.

"Wow!" his young charge replies. "Why do you think that?"

"Because you have such a long way to go," the sponsor answers.

Bob M., Bellingham, Massachusetts, February 2001

"Lend me a couple of empties to put in my trash. I don't want everyone to know I'm in AA."
